

LMQG SEW-ALONG

This email is to share with members not present at the meeting and websites.

The guild is offering members an opportunity to participate in a Sew-a-long! Below are pictures and a link to purchase the patterns. If interested you may start at any time. Prior to our monthly in person meetings, members can bring their "Work in Progress" to ask questions, share fabrics, discuss layout and **make new friends!**

Undecided come to the June meeting and be inspired!
